

PASTOR'S ANNUAL REPORT FOR 2024

Year in Review:

2024 was an unexpectedly busy yet productive year as you will notice below. We didn't necessarily begin the year with the intention of having and hosting a lot of events, but the Lord willed it so and we are grateful. As a fellowship, we faced our share of battles this year too. Most notably, we lost two of our precious members. Both Betty and Kevin are now securely in Christ's arms. We also just lost a precious friend of the ministry, David Roznowski. It was just this past May that Roz hosted a powerful prayer event at the new Pangle Pavilion on the National Day of Prayer. Shortly thereafter he began his health battle to which he succumbed this past week. We definitely learned how to persevere in and through pain and remain productive for God's Kingdom and glory.
